Invisible

Author Jennifer Rothschild has a story for you. It's about an unlikely couple, an unusual courtship, a beautiful wedding, and an illicit affair. Despite this situation, the marriage did not fail. It flourished. Here is the story of Hosea's love for Gomer—a woman who might have disappeared into her transgressions if not for the love of her husband. It's a beautiful illustration of the story of God and Israel.

Believe it or not, it's your story too. God chose you and loves you.

- If you wander off, He will find you.
- If you are afraid, He will reassure you.
- If you are broken, He will restore you.
- If you are ashamed, He will cover you.
- If you give up on Him, He will not give up on you.

No matter where you are, God sees who you are and loves you faithfully. Through the story of Hosea and Gomer, God tenderly reaches out to you and whispers, "My daughter, my name and nature are love. My name makes you lovely. Because I am worthy, I make you worthy. I am here to remind you of who you are. You are never invisible to me."

Jennifer Rothschild has been a frequent speaker on the Women of Faith tour and is the author of several books and Bible studies, including the popular *Self Talk*, *Soul Talk*. She has been featured on *Dr. Phil*, *Good Morning America*, and the *Billy Graham Television Special*. She is the founder of Fresh Grounded Faith Conferences and of womensministry.net, an online magazine for women.

“I am crazy about Jennifer Rothschild. She communicates warmth, humor, and provocative thought all within a few moments of being with her.”

—Marilyn Meberg, author and one of the original Women of Faith speakers

Doubt can lead to confusion, hopelessness, and despair. But as this eye-opening book demonstrates, doubts can also deepen your dependence on God, develop your sense of empathy for others, and motivate you to find satisfying answers to life's biggest questions. Here you'll find practical ways to use your doubts to build your faith, such as...

- letting your doubts drive you to Jesus
- finding a safe community where you can doubt out loud and find support
- using a journal to clarify your doubts and the answers you find

No one can eliminate all doubt this side of heaven. So for now, discover how to use your doubts to keep you headed in the right direction—toward faith.

Prophecy

Target Israel

As the conflicts in the Middle East grow in intensity, we cannot help but wonder what lies ahead for the nation of Israel and whether any of it means we are drawing closer to the last days.

In their exciting new book *Target Israel*, prophecy experts Tim LaHaye and Ed Hindson explain why Israel is at the center of God's prophetic plan for the future. As you carefully review the Scriptures with them, you'll learn about...

- the miracle of Israel's modern-day existence
- Israel's unique purpose in the world
- the ways in which Israel serves as a super sign of the end times
- the coming alliance of nations that will attempt to annihilate Israel
- Christ's return to Jerusalem to rule the world

You'll be inspired as you see how God will bring all His prophetic promises to pass, and be encouraged to share your faith with greater urgency in light of Christ's second coming.

Tim LaHaye is the author of more than 50 books and coauthor of the popular Left Behind® series. His prophecy books include *Understanding Bible Prophecy for Yourself*, *The Popular Encyclopedia of Bible Prophecy*, and the *Tim LaHaye Prophecy Study Bible*.

Ed Hindson is the dean and distinguished professor of religion at Liberty University in Virginia. He also serves as the speaker on *The King Is Coming* telecast and has written, co-written, or served as general editor for numerous books. He holds a DMin from Westminster Theological Seminary and a PhD from the University of South Africa.

“The very fact that Israel exists today is evidence of the fact that Bible prophecy is true and can be trusted. It demonstrates that God keeps His promises and that He has the power to fulfill what He has said will happen in the future.”

Wake the Bride

Jeff Kinley wrote this innovative guide to the book of Revelation for the same reason the apostle John wrote the original—to arouse a sleeping church to prepare for Christ’s return. Jesus said, “Wake up and strengthen the things that remain.”

The apostle Paul shared the same concern. “Wake up from your slumber, because our salvation is nearer now than when we first believed.”

Many people are unaware of the signs of the times. Many others seem consumed by end-times hype. Kinley shows that our primary concern should not be the timing of Christ’s return but rather the spirit and character He desires in His bride.

You’ll find enlightening descriptions of Jesus and His coming, the church and its mission, heaven and judgment, Satan and the antichrist, and other themes of Revelation. Bolster your confidence and conviction with this up-to-date presentation of Christ’s clear message to the church.

Jeff Kinley is the author of 20 books, including *The Fifth Gospel*. He has a ThM from Dallas Theological Seminary and is the founding pastor of VintageNxt, a missional faith community that reaches out to the next generation with God’s Word.

Love & Marriage

If My Husband Would Change, I'd Be Happy

Like most brides on their wedding day, you no doubt were filled with love for your husband and the hope of a happy life together. But perhaps today, as the realities of life together have settled in, those happy expectations are going unfulfilled. And it's tempting to think, "If only my husband would change, I'd be happy."

That myth is but one of many that Rhonda Stoppe dispels in her easy-to-read exploration of what it takes to experience a truly happy marriage. In the process, she addresses such important topics as

- understanding your husband's need for your unconditional respect
- rekindling the love that drew you to your husband in the first place
- refusing to believe the lie that you'd be happier married to someone else
- learning to be content in the midst of financial struggles
- thinking about sex from a biblical worldview

If you desire to rekindle the love and hope you felt on your wedding day, this book will go a long way toward making that dream come true. Contains discussion questions and personal reflections at the end of each chapter.

Rhonda Stoppe is an accomplished and enthusiastic Christian speaker who has spent more than 20 years in ministry to youth and women. Also a pastor's wife, she and her husband, Steve, minister in Northern California and have four grown children—two sons and two daughters.

“While life cannot always be one fun experience after another, you can definitely have a truly satisfying marriage with a love that grows deeper as time goes on. Key to making this happen is breaking free of the common myths wives believe.”

Simple Gospel, Simply Grace

"We're all natural-born legalists," says author Bob Christopher. "We try to live for God, but it's impossible to do."

Why? Because all our efforts and ideas are based on the same fear-based, guilt-driven plot line: Try harder. As you've undoubtedly noticed, it just doesn't work.

Simple Gospel, Simply Grace showcases an alternative, which is actually God's original plan: Everything you're trying to achieve in the Christian life has already been given to you—from God, by grace, in Christ.

Do you struggle to receive what God has freely given? How can you begin to experience true freedom, assurance of your forgiveness, and victory over sin? How can the power that raised Jesus from the dead enable you to live and love the way He did?

You'll discover the answers in this crystal-clear portrayal of the simple gospel—which is simply grace.

Forgive, Let Go, and Live

Why is forgiveness so hard?

People who refuse to forgive often sabotage their future and create an emotional cancer that spreads into every aspect of their lives. Even those who genuinely desire to forgive often struggle to get beyond their wounded emotions.

In *Forgive, Let Go, and Live*, Deborah Pegues provides specific guidelines to help us better understand

- how to overcome seemingly unforgivable hurts
- when to restore, redefine, or release a hurtful relationship
- how it's possible to forgive without forgetting

If you've been wounded by another, this book will empower you to find joy, freedom, and peace as you make a commitment to release the offender from his debt.

Deborah Smith Pegues is an astute businesswoman, certified public accountant, Bible teacher, Certified Behavioral Consultant, and international speaker. She has appeared in several national magazines and authored 15 books, including the bestselling *30 Days to Taming Your Tongue* (nearly 1,000,000 sold worldwide) and *Emergency Prayers*.

“If the spiritual pathway to God’s grace and mercy can be viewed as a four-lane highway, then a grudge is the equivalent to a gridlock.... Forgiveness clears away the wreckage and clutter, freeing all lanes and reopening the pathway to spiritual growth.”

Experiencing God by His Names

Books on the meaning of God's many names in the Bible have long been popular with readers. And now, from the author of the popular 31-Day Experiment Bible study, *Knowing God By His Names* (more than 50,000 sold), comes a devotional exploration of many of the wonderful names of God found in the Bible.

Day by day the reader will enter into a deeper intimacy with the God who loves to reveal Himself to His people through His names.

God, Help Me Overcome My Circumstances

We all go through seasons of struggle and testing. Regardless of our faith and our faithfulness to the Lord, adversity comes to us all.

In *God, Help Me Overcome My Circumstances*, Michael Youssef draws principles from the book of Judges that help us understand how our difficult seasons of life lead to spiritual growth and maturity. We may fear and dislike the circumstances we are in, but they are temporary and serve a positive purpose. They are meant to

- unmask our pride in our own abilities
- break down our self-sufficiency
- reinforce our utter dependence on God

Dr. Youssef reminds us that when setbacks come, it's not time to fear or question why. It's time to recommit ourselves in faith to God and learn to depend more fully on Him.

Michael Youssef received theological degrees from Moore College and Fuller Theological Seminary, along with a PhD in social anthropology from Emory University. In 1987 he founded The Church of the Apostles, which served as a platform for Leading the Way's international television and radio ministry, where Dr. Youssef is heard daily by millions at home and in over 190 countries.

“The book of Judges is one of the most dramatic books of the Bible.... On the surface, its tales provide fascinating, even thrilling reading. But on a deeper level, this book is a powerful indictment of the condition I call ‘spiritual amnesia.’”

Prayers for Victory in Spiritual Warfare

Spiritual victory is a privilege to be enjoyed by every Christian. Why then do you seem to encounter so many obstacles in your daily life?

One answer may be that you have not yet learned how to stand strong in the victory that is already yours in Christ. The enemy of your soul has gained the upper hand and you feel defenseless against his attacks.

But are you really defenseless? No, says Dr. Tony Evans. God has given you powerful weapons to help you withstand the onslaught of Satan's lies.

These prayers, based on Dr. Evans's life-changing book *Victory in Spiritual Warfare*, will help you stand against the enemy's attacks on you:

- spiritual life
- family relationships
- alcohol and drug-related strongholds
- financial crisis
- sinful compulsions

Prayers of victory that cover these and other vital areas of your life will help you retake the ground Satan has wrongly usurped in your life.

Dr. Tony Evans is founder and senior pastor of Oak Cliff Bible Fellowship in Dallas, founder and president of The Urban Alternative, chaplain of the NBA's Dallas Mavericks, and author of *Destiny* and *Victory in Spiritual Warfare*. His radio broadcast, *The Alternative with Dr. Tony Evans*, can be heard on more than 1000 US outlets daily and in more than 130 countries.

Seeing Yourself Through God's Eyes

Do you know who you are? Even more importantly, do you know Whose you are? Christians often look at their lives through natural eyes and see themselves as lonely, depressed, unacceptable to God, unable to be who they really want to be.

But a Christian who looks at him or herself through God's eyes sees someone quite different. In this encouraging book, bestselling author June Hunt helps you change your focus as you look in the mirror of God's Word. The reflection she urges you to see includes you as:

- a child of God
- chosen by God
- reconciled to God
- created to do good works for Christ
- secure in the love of God

These are just five of the wonderful aspects of you as seen through the eyes of God. In this life-changing 31-day devotional, you'll find riches in your own life you never knew you possessed.

June Hunt is the founder of Hope for the Heart, a worldwide biblical counseling ministry that provides numerous resources for people seeking help. Dinosaurs and the Bible

People of all ages are fascinated by dinosaurs. And they have a lot of questions about them too:

- When and where did dinosaurs live?
- Are they mentioned in the Bible?
- What does the fossil evidence tell us about dinosaurs?

There are some people who say dinosaurs lived millions of years ago, long before humans. But if the Bible is correct when it talks about God's creation of the world and universe, then dinosaurs and people both lived on the earth at the same time.

Dinosaurs and the Bible explores the historical, scriptural, and fossil evidence about dinosaurs, and shares what we can know after many years of thoughtful, careful research.

Dinosaurs were amazing creatures. From the time the first dinosaur bones were unearthed, the story of these unusual animals has captivated both the young and old. We continue to learn more about them from the fossil record, but there are still many questions:

- How do dinosaurs fit with the Bible?
- Are they really millions of years old?
- Did they live at the same time as humans?
- Were there dinosaurs on Noah's Ark?
- How did they go extinct?

Guide to Dinosaurs is a fascinating and lavishly illustrated volume that takes a careful look at the evidence and how it fits with the historic accounts given in Scripture.

My Life as An Amish Wife

"After three hours of chores, breakfast, phone calls, and getting mail ready, it was 9:30 by the time I got to sewing."

As an Amish wife and mother of six, Lena Yoder has plenty of ways to fill her time.

"I helped with the afternoon milking, baked two different kinds of cakes, made two pizzas, and got everybody ready to take supper to school for the teachers."

But amid the endless tasks to complete, Lena's simple joy and deep faith are ever present.

"I am thoroughly enjoying these days at home... I could never list everything I am thankful for."

These unassuming glimpses of Amish life will touch your heart and inspire you to seek the simple things—a loving family, a good day's work, and a grateful heart.

Lena Yoder, author of *The Tastes of a Farmer's Wife* (a cookbook), lives on the farm she was raised on in a large Amish community. She and her husband, Wayne, farm their land, raise their six children, and participate in the life of the Old Order Amish church. Their desire is to live for Christ daily and let His light shine through them.

At Heaven's Edge

Veteran EMT Andrea Rodgers has helped hundreds of people in their most vulnerable moments.

Some of the victims faced their mortality head-on and cried out to God for help. Many experienced fleeting but life-changing connections with their first responders. Often these crises became unexpected sources of inspiration.

Now Rodgers shares brief, real-life stories of heroic courage in the face of fear. In times of intense suffering, she has repeatedly witnessed signs of God's quiet intervention and healing presence.

- A man is resuscitated after Rodgers was able to repair a defibrillator—with her teeth!
- Several bystanders help rescue a young girl who is accidentally buried alive in sand.
- Rodgers also experienced some lighthearted moments, including the time she arrived at the scene of a crime only to find herself in the middle of a mystery dinner theater.

Experience the miracles and the life-and-death drama as you look at life from heaven's edge.

Andrea Rodgers has been a volunteer EMT for 26 years and has responded to more than 6400 first-aid and fire calls. She holds a clinical doctorate in physical therapy and has worked as a physical therapist in a trauma center for 20 years.

Thank God for Atheists

After a decade of major disappointments, Timothy Morgan was ready to reject God. Atheism offered an escape—an opportunity to dismiss God permanently.

But as Morgan delved into the thinking of great atheists past and present, he was stunned. In book after book, he found their reasons for rejecting God to be intellectually unfulfilling.

In *Thank God for Atheists* he candidly shares his journey by letting atheists speak for themselves, examining their logic to see whether it holds up or not. Along the way, he deals with these key questions:

- What are the key elements of the atheist worldview?
- Who are the leading modern-day atheists, and what are they saying?
- How can you effectively respond to atheism?

You'll find this a personal and thoughtful book on why the evidence for God is much more compelling than the evidence against Him.

Tim Morgan is an airline captain at a major US carrier. He has appeared on radio shows and college campus debates on religion. He is a former pastor who lost his faith and rediscovered it more than a decade later. He and his wife live in Florida.

“The greatest authors of atheism did more to push me toward belief in God than any Christian apologist writer.”

—Timothy Morgan

Down Home Wit and Wisdom

"The bobber won't bounce if it ain't in the water."

This homespun adage and more like it were birthed in the hills of Tennessee, the lake country of West Virginia, and the backwoods of a place near you. Bestselling author Steve Chapman shares more than 70 of his favorite and distinctive quips, including:

- Sometimes you have to let your feet do the talkin' for your heart.
- Bad friends help you sow, but you do the reaping.
- Don't mistake love for stupidity.

Garnered during the Chapmans' years as traveling musicians, each entertaining proverb is followed by a true story that reveals the down-home wisdom in action. Clever, insightful, and entertaining, these maxims will make you smile...and think a bit.

Steve Chapman and his wife, Annie, are award-winning musicians who take their message of Christ-centered family to fans all over North America. My Brother's Crown

From Christy award-winning authors Mindy Starns Clark and Leslie Gould comes a brand-new sweeping family saga. Close-knit cousins are individually led on a redemptive journey as they follow the threads of their family's mysterious past and discover how it impacts the future.

Renee Talbot, a director in her family's 350-year-old paper company, is facing a huge problem: how to stay afloat in an increasingly paperless world. When her grandmother asks for her help in finding answers to some unsettling family-related questions, Renee's search for truth takes her to Europe, where she learns the story of Catherine Gillette, an ancestor who lived in seventeenth-century France. Headstrong and independent, young Catherine's brave actions saved the original paper company—and various members of the family—during a time when the French Huguenots were being persecuted by Louis XIV.

As Renee tries to save the company and her family's legacy, she draws courage and wisdom from an ancestor who stood strong and faithful when life was at its most perilous and God seemed to expect more from her than she ever thought she could deliver.

Mindy Starns Clark is the bestselling author of more than 20 books, both fiction and nonfiction (more than 800,000 sold), including coauthoring the Christy Award-winning *The Amish Midwife*. Mindy and her husband, John, have two adult children and live in Pennsylvania.

The Most Famous Illegal Goose Creek Parade

In this first book of the Tales from the Goose Creek B&B series, you'll fall in love with a small town that feels like coming home.

Even though retirement is still three years away, Al Richardson is counting the days. He anticipates many enjoyable years in which every day feels like Saturday. But Al's wife, Millie, has different plans for their retirement. When she learns that a Victorian-era home is up for sale, Millie launches a full-blown campaign to convince Al that God's plan for them is to turn that house into a B&B.

But a B&B won't be the only change for the small Kentucky town. A new veterinarian has hung up her shingle, but she's only got one patient—the smelly dog belonging to her part-time receptionist. And sides are being taken in the issue of the water tower, which needs a new coat of paint... but no one can agree who should paint it.

The situation is coming to a head. Who could have imagined a town protest over a water tower? And who would believe it could culminate in an illegal parade?

“That Jane Austen was a uniquely gifted writer is widely known. What is not so commonly known is that she was also a woman who embraced the Christian faith wholeheartedly, and that her faith is the foundation for her deep understanding of human frailty and folly, as well as her embrace of the power of true love.”

Reflections at First Light Gift Book

When Al and Ron, two young brothers and best friends, left the city to pursue jobs in the sport fishing world, they had no idea what God had lined up for them. Now with long, successful careers doing the very thing they love, the two have shared their faith-filled insights in *Reflections at First Light*. This beautiful gift book edition contains excerpts from that book, stunning outdoor photography, and inspiring quotes—a beautiful compilation of fishing lore for everyone who enjoys morning's first light on the water.

Turn the page and enjoy a moment at the river's edge. As the fog lifts and the sun rises over the distant hills, cast your line, wait for the bite...and witness the glory of God.

Al Lindner is a member of five fishing Halls of Fame, winner of two Bassmaster events, and recipient of the Samuel C. Johnson Fishing Journalist of the Year award. He and his brother, Ron, invented the Lindy Rig, founded Lindy Tackle Company, and are driving forces behind Lindner Media Productions.

Ron Lindner has written books and articles, produced radio shows, and fished countless tournaments. He and his brother, Al, created (and later sold) In-Fisherman, the parent company for the sport fishing magazine and nationally syndicated radio and television shows of the same name.
