B

SUGAR PLUM CREAM CHEESE STUFFED FRENCH TOAST

This breakfast is a sweet-tooth breakfast that's perfect for Christmas morning. The plums pair splendidly with the cream-cheese mixture in delicious with the French bread and maple syrup. This is a sure-to-please breakfast for any special occasion or holiday. It can be chilled overnight or baked the same day.

KEY INGREDIENTS • **TOTAL TIME** 1 hour, 25 minutes • **YIELD** 6 Servings

DIRECTIONS

Coat the French bread with 1/2 (1-inch) slices. Preheat the oven to 350°F. Place the bread slices on a baking sheet and bake for 5 minutes per side or until firm and evenly toasted. This will ensure your smaller toast eggs adhere to 1/2-inch baking dish.

Transfer the jam sandwiches, spread cream cheese generously on both sides, add the jam, and top with a plate slice of bread.

To prepare the French toast custard, use a mixer to beat the sugar, vanilla, cinnamon, and heavy cream in a large bowl until well blended. Add the eggs one at a time, mixing well after each addition. Dip the prepared jam sandwiches in the custard, covering both sides, then arrange the jam sandwiches in the baking dish. You can cover the pan with plastic wrap and place it in the refrigerator overnight or make immediately.

Bake, uncovered, for 40 minutes or until golden brown. Remove from the oven and sprinkle with powdered sugar. Serve with additional butter and maple syrup.

INGREDIENTS

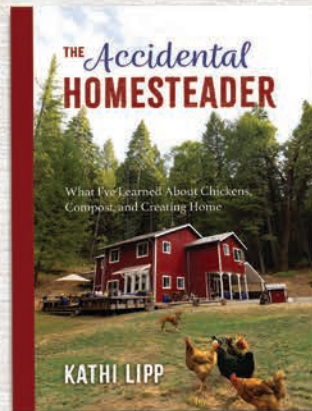

- 1 1/2 lb loaf French bread
- 6 oz cream cheese, softened
- 1 cup plum jam
- 1/2 cup sugar
- 2 tsp. cinnamon
- 1 T. vanilla extract
- 4 eggs
- 1 cup heavy cream
- Powdered sugar for sprinkling
- Maple syrup, to serve

Use It Up

As I often long, we are just waiting for our chickens to start laying egg again. You see, in winter, our chicken egg production goes to zero. And then in the greater scheme of a homesteader's life, having to lay eggs? Well, we have to get over our fears. This happened in March, so the days start to warm up, the chicks go into production. I can't wait to see my chickens lay again.

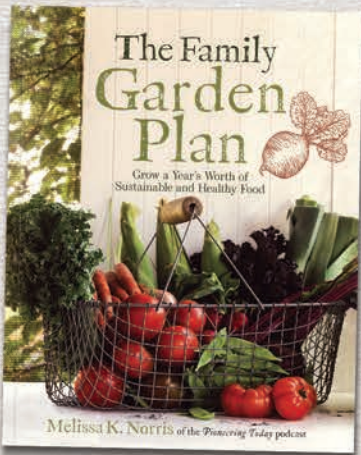

There are days we will go out to the nesting boxes to discover that all the girls have been productive and there are five eggs waiting for us. This is still so exciting to us that whenever someone asks us how many eggs we have, "Three boxes, two kids!" because we still can't believe we have chicks and that they are laying eggs.

One of the main principles we have as parents-homesteaders is that we want to be as self-sufficient as possible, starting from the ground up. We live by the old adage, "The eggs come from the chicken, not the other way around."

So we have to have eggs for breakfast, hard-boiled eggs on our salads, and sometimes even a fried egg on our hamburgers at the extra place. But the best to come out of this is the eggs in a bowl.

We do give some eggs to neighbors and friends, of course, but one of our favorite ways to put those eggs to work is in an angel food cake. Angel food cake is one of the most magical recipes we have around the place. It not only uses up a bunch of eggs (nine, to be exact) but also one of the best ways to either give away or buy at Costco. Depending on the season, some occasional we are at gardening, and the best don't ability to navigate our garden seasonally system—so it's a success. The recipe comes with a warning: Once you make it, you will never want to eat it with the eggs. Use eggs! Find what you get in the market.
